

I want to make all my promises You must think that My promises I have made them all When I make My promises no one can see them I want to tell you that we must go on This place, as I told you, is the greatest Sanctuary here You see me and you hear Me I am the greatest Sanctuary that can exist Follow me, more numerous than you can When you want you can also make pilgrimages Because I am expecting you more and more My road is the biggest of all roads Here are the people who See me every Sunday Try to make a big surprise to the Lord Tell the people that I wait for you more than you think: day and night Here we need the people to commit to My presence Those who see Me are many people Try to pray for the most needy Now I tell you dear children, that I am Here continually Bring with you more people than pot ete However, without forcing anyone Because I wait for that voluntary people Here I show you My image, and that of My Mother So the people can not say unjust things As you see, there are some people of the country? Because he says that they are not the truth Do not worry Those who follow the Lord are those who took the path of the Lord Follow me always And you will be with Me up to My Eternity Now I greet you, passing with My Hand on each of you So you will bring to home the greatest blessing I greet you See you soon.
