

I would like my people to follow me There are those who did not leave me alone Once you are calm I will make me feel and show me There are those who say "I could not" They are too many times that they do not want But I'll tell you all the truth Those who want to go before the Lord I'll tell him: "This I deserved it" I continually wait for all the moments of My Life Have you seen it, I missed it sometimes? The apologies of those people will never serve him Because I know everyone, one by one The Lord must always be in the forefront Instead they are not for everyone so But I fart in order to make him understand his lies Everyone knows of my request Try to To behave justly for the Lord Now I tell you When I came I said, "I present the altar and you have to do what is missing around the altar" Now I leave you Search for what is missing around the Altare to all the nations you want, that you will see that everyone will be busy Lack of what I have asked Now I greet you with great joy in the Heart Come Always soon.
